Account Application

Please read carefully. This application is not complete until all forms are signed.

This form is a trade account application designed for the purchase of products within Cellnet's product portfolio. This application specifically caters to physical retail or business establishments. Additionally, this application encompasses the provision of reselling items through the applicant's nominated registered domain(s).

The same conditions from the Cash account apply to the credit account. It must be noted that we create a new account number when your credit account is approved. This is why some of the application feels like a replication of your original account, however it is important we capture all your information, and any new information since you opened your cash account.

It is imperative that you provide information about all physical locations where you anticipate receiving and selling product. It should be noted that any addresses falling outside the realm of the specified/approved locations could potentially be considered a violation of the terms and conditions.

If you intend to resell products online, please ensure that you provide details regarding the registered domain(s) through which you plan to resell.

Cellnet serves as a representative for a multitude of local and international brands, many of which have established agreements and contracts with Cellnet. These agreements encompass endorsed channels for the distribution of brands and products. Often, these agreements necessitate a distinct approval from the respective brand to gain access. Thus, possessing an approved account does not inherently grant unrestricted access to all brands.

It is important to highlight that the tactics governing the distribution of brands may experience changes on both a worldwide and local level. In order for Cellnet to adjust to these changes, there might be instances where access to specific products or brands could be withdrawn at any given time.

Order Value

There is no minimum order value each time you place an order and no order processing fee, however standard freight charges will apply to orders less than \$200 ex GST. There is a minimum order value each financial year of \$6000. Accounts with purchases less than the minimum value may risk closure of account.

Physical locations

If you have more locations than the below space, please provide a separate list.
